

## The Real Deal About ACEs

Thurs., March 22, 2018 / 6:00–7:30 p.m. / Williamstown Baptist Church

Presenter: Connie Freking, Children's Home of Northern Kentucky

This workshop is designed for parents, grandparents, educators, Sunday School teachers, child care providers, medical professionals .....

Anyone who cares about children.

- Just how resilient are kids? Discover astonishing research on the long-term impact that adverse childhood experiences (ACEs) have on physical and emotional health.
- Take the ACEs Survey; see how it applies in your life and the lives of the children with whom you engage.
- Learn how to strengthen families and give children the best possible head start.
- Families in attendance receive a free copy of the book, "Guess How Much I Love You", by Sam McBratney.
- Free childcare available (advance registration required).

All participants, please register here:
