Real Men Read

Crittenden Mt. Zion Elementary School would love to invite you to read with our students! This program is designed to get positive male role models into our school. On a day you are available you would simply come into the school and read with a child! The number of days and the times you are here are at your convenience. We want to inspire our students and teach them that reading is something you do the rest of your life! We would love for you to join us!

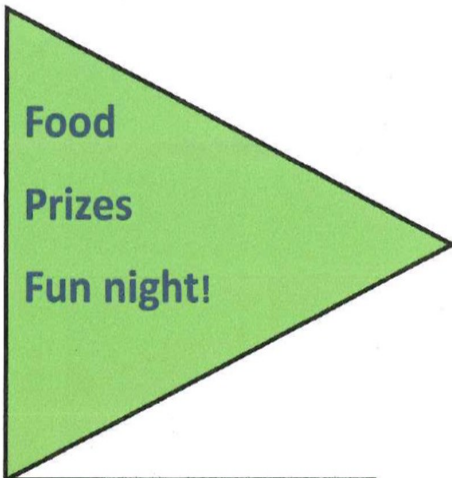

****You will have to have a background check on file. You can check with the Family Resource office at CMZ to see if your background check is still current or apply for a new one. ****

If you have questions or want to sign up please contact:
Danielle Haley FRC Coordinator: 428-0800

philpmartin.info

Are you tired of eating alone while the rest of your family is in front of the TV?

Or maybe you would love to eat dinner with no cell phones?

Or listening to the slurping, burping and mouth full conversations at the table?

Elbows off the Table:

Don't slurp your soup, & other things your mother taught you or should have!

The Grant County Public Library, the Grant County Extension Office and the Grant County and Williamstown Family Resource Centers cordially invite your family to an evening of dinner, fun and minding your manners.

Monday, November 11 at the Extension Office at 105 Baton Rouge Road, Williamstown.

The evening begins at 5:30pm with sign in & hors d'oeuvres.

Register the whole family online or by phone.
