Grant County Families,

As the school year begins to wind down, we continue to face bus driver shortages. The last round of bus cancelations will take us through the end of April. The three weeks after Spring Break is outlined below. We know the burden these cancelations have placed on our families, we can only hope over the summer, other drivers will become available. Other scenarios have been discussed if we continue to have a driver shortage, such as staggered start for our schools, which would mean, 3 schools beginning their day at 7:30 –3:00 and the other three schools not beginning until 8:30-4:00. We have discussed transportation partnerships and other options as well. We appreciate your help and support throughout this challenging year for transportation. Please understand these cancelations are not made easily. As we move forward, we will continue to communicate changes with you as early as we possibly can. Going into the next school year, please encourage anyone who may be interested in becoming a driver to submit their application at the Grant County Transportation Office.

Thank you again, for your understanding and support.

Sincerely,

Matthew A. Morgan

Superintendent, Grant County Schools
