November 19, 2021

Grant County Families,

We want to thank you for your partnership this semester with our bus transportation. Your dedication to your child's education is so appreciated. We have added bus drivers to our district, though unfortunately, we are still down several drivers going into next semester. With the number of potential drivers working toward their credentials, we hope that regular bus services can resume later this school year. To prepare for the second semester (after Winter Break) we are providing another bus cancellation matrix from January 2022 thru March 4, 2022 (The week before Spring Break). These 13 weeks are outlined in the matrix attached. Some changes to the matrix include only three buses sitting each week instead of four buses. As well as multiple weeks only have two buses sitting. Transfer buses will not be impacted by this matrix. The cancellations only affect home bus routes.

We would also like to remind all families that beginning in January our school day will be extended. Students at Grant County High School, Mason-Corinth Elementary, Dry Ridge Elementary, Sherman Elementary, and Crittenden – Mt. Zion Elementary will need to be in their classrooms at 8:07 am and then will be dismissed at 3 pm. Grant County Middle School is not impacted by the extended school time due to their start and end times. This change to the school day is allowing us to have the full five days off during Thanksgiving break.

As we end our school day today and transition to a week of Thanksgiving Break, we are very thankful to have a community that supports our district. You continuously give to ensure your child receives the high-quality education that we provide each day. We hope everyone has a very relaxing, safe, and enjoyable Thanksgiving.

Sincerely,

Matthew A. Morgan
