

McDonald's Ray Kroc Scholarship

The Groen Family McDonald's is proudly owned and operated by Paul Groen, Grant Groen & Erica Shadoin. The family owns 22 McDonald's restaurants in Northern Kentucky and 4 McDonald's restaurants in Ohio. The organization has a long history of being involved in the local communities that support our restaurants.

One way that the Groen Family gives back to the local community is by offering a scholarship to high school seniors at 9 local high schools.

The scholarship is named after McDonald's Founder, Ray Kroc, and is designed to honor his philosophy that with persistence, determination, and hard work you can achieve anything.

To qualify for the scholarship, you need to have a GPA of 3.0 or higher and demonstrate the characteristics of persistence, determination, hard work and community involvement. The recipient does not need to work for McDonald's to qualify for the scholarship.

Recipient of this scholarship will receive \$3,000 and a framed certificate.

Application deadline is April 19, 2022.

Sincerely,

Paul Groen
