Grant County Families,

To facilitate bus transportation as fairly as possible, Grant County Schools is adopting a cancellation schedule from now thru winter break. Buses appear on the schedule only **ONE** time from now until December 17th. The cancellation will be the entire week. Canceling specific routes equips the district with drivers to cover driver shortages during that week. We are extremely hopeful that these cancellations will be enough to alleviate further bus cancellations this semester.

Buses canceled are canceled entirely, transfer buses as well as to and from school. Our partnership with parents and guardians will allow this schedule to be successful. During the week of your bus cancellation, please arrange alternate transportation for your child to and from school, as well as any transfer situations that occur. We do have numerous hires in the pipeline for becoming a driver. With the addition of these hires we hope our cancellations will end with the new semester in January. Additional information will be shared once we get closer. Thank you again for your support and we hope you have a great afternoon.
