School Orientation/Teacher Talk

Students will have the opportunity to meet fellow classmates, ask teacher's questions, get familiar with the daily routine of changing classes, and discover useful tips about the school.

School Survival

Can you survive the mazes of middle school? Participate in the game of survival as students make their way through the halls in a quest to be the first team to complete all of their challenges.

Study Skills

Students will discover the individual learning styles and be taught skills in time management, organization, and note taking. Students will also be educated in test taking and reading strategies.

Team Building

Test your problem solving skills as you work together with fellow students to conquer the challenges set before you.

Fashion Show

Selected students will rule the runway as they model their fashion style. Students will play a do's and don't style game as they try to determine which clothes are appropriate and which clothes are inappropriate according to school dress code.

Hygiene

Yep, you are growing up and with that comes puberty with its challenges of looking and smelling good. We'll discuss some tips and accountability for your own hygiene.

Dancing

Nervous about school dances?—don't be. We will be learning and practicing dances to have you ready for your first middle school dance.

Bully Prevention

Students will learn how to recognize, refuse, and report bully behavior. Students will be taught skills on how to start conversations and build healthy relationships.
